

Navy Medicine

Providing the Full Spectrum of Care

Around the World . . . Around the Clock

TRICARE Next Generation Pre-Proposal Conference

Bureau of Medicine and Surgery

*Captain Patricia Kenney
Nurse Corps, United States Navy*

October 3, 2002

Overview

- Navy Medicine's Mission
- Organization of Navy Medicine
- Mobilization Requirements
- Navy Facilities
- Scope of Services

Mission

Our Mission is to:

- Create a healthy, fit, and ready force
- Protect them from the hazards of war
- Deploy with them to treat them when needed, while caring for their families at home
- Thank our retired warriors by giving TRICARE For Life

Force Health Protection

Force Health Protection

We promote, protect and restore the health of our Sailors and Marines, their families, retirees and their families and all others entrusted to our care, anytime, anywhere.
